MEMORANDUM

TO: Files *[Signature]* October 27, 1982
FROM: James Rush
SUBJECT: U-a/U-b Tract Inspection--Examine Topsoil Stockpiles

Personnel Present:

James Godlove	WRSOC
James D. Rush	MMS-OSO
John Miley	"
Randy Heuscher	"
Don Johnson	"

Activities:

Inspected damsite and observed the volume (66,000 cu yds) of topsoil removed from damsite and placed in two locations. Both should be revegetated soon.

Item of Concern:

Firearm was observed in subcontractor's vehicle. Firearms should be controlled on tract.
